MEMORANDUM FOR: IWG

SUBJECT: Current Status of Subgroups of IWG

1. For the information and guidance of IWG, and for members of EDAC working groups, the following statement of the present membership\* of subgroups of IWG, and the status of projects under their respective review, is transmitted.

IWG SUBGROUPS

A. Bunkering of Vessels in China Trade

25X1X8

Chairman - [REDACTED] CIA

Members

Mr. Harold Pollak, Treasury  
Mr. Hunter Robinson, OSD

Project Status

The completion of this paper has been delayed, owing to the pre-occupation of all Subgroup members with the current preparations for new overall shipping discussions [REDACTED] in COCOM. Some 25X1X7 of the materials which were completed for the Subgroup's report, and which are being kept up to date, have been used in this preparatory work. As soon as time permits, an up-to-date Subgroup report will be issued.

B. COCOM Statistical Reporting

Chairman - Mr. Murray Lyon, Commerce (on leave)

Mrs. Ann C. Holmes, Commerce  
Mr. Nathan Habib, MSA  
Lt. Col. Donald Wilson, OSD

Project Status

A draft memorandum of 20 May 1953 on "Report on COCOM Statistical Reporting" was distributed to members of the Subgroup on 22 May. The Subgroup met on 26 May to review this paper, at which time the EDS representative tabled a suggested revised draft for consideration. It is anticipated that the Subgroup will soon submit an agreed draft to IWG.

C. East-West Trade Collection Requirements

IWG/AM-12

Project Status

IWG/M-30 of 10 March 1953 states that information contained in IWG/FE-1, "Material for Use in China Committee" would be forwarded to the U.S. Delegate to CHINCOM, who "would be requested to comment on the usefulness of the material." The DMS representative to IWG has subsequently informed the Executive Secretary that additional commodity intelligence would be required for use in forthcoming negotiations. It is expected that the DMS representative will lay such a requirement before IWG in the near future.

E. External Financial Operations of the Soviet Bloc

Chairman - Mr. Thomas Page Nelson, OIF, Treasury

Members

Miss Helen Lincoln, EDS, State

[REDACTED] CIA

Mr. Russell Hale, DMS

Mr. Hubert Ladenburg, OIR, State

Mr. Nathan Habib, MSA

Lt. Col. Ted Brown, OSD

Mr. Edward Ames, Fed. Reserve\*

Project Status

A meeting of the Subgroup was held on 22 May at which time it was decided that Treasury, State and MSA undertake to prepare a complete list of intelligence required in the financial field, to be coordinated with requirements of other action agencies. Close coordination with the EIC Subcommittee on International Trade and Finance will be maintained to prevent, insofar as possible, overlapping of projects in this field between EIC and IWG. The anticipated membership of Mr. Edward Ames, Federal Reserve, on the Subgroup will help insure such collaboration.

F. Movement of Strategic Commodities from Middle East to Soviet Bloc

IWG/AM-12

Project Status

The Subgroup paper on "Movement of Scrap Metals from the Middle East - 1952", has been recommitted to the Subgroup for incorporation of a statement regarding Soviet Bloc requirements for scrap, and the addition of a general statement regarding the importance of the Middle East as a source of scrap and present stocks in the area. It is expected that this paper, as revised, will soon be ready for IWG, at which time the Subgroup may be dissolved.

G. Repair of Soviet Vessels in Non-Soviet Yards

Chairman - Mr. Douglas Coster, EDS, State

Members

Mr. Murray Lyon, Commerce  
Mr. George E. Kidd, ONI

Mr. Hunter Robinson, OSD

CIA 25X1A9a

Project Status

The Maritime Commission has completed analyses on the first series of ship repair reports, and acknowledged receipt of material on the PRACA, submitted on 29 April. It is expected that this Subgroup will continue to function as long as ship repair intelligence is received for exploitation.
